~ *Arkade Developers Acquires Naming Rights for Bangur Nagar Metro Station in Line with Goregaon's Accelerated Urban Development*

Mumbai, 19th August 2025 – In a significant move underscoring its commitment to Mumbai’s urban transformation, Arkade Developers has acquired the naming and branding rights of Bangur Nagar Metro Station. The station will now officially be known as Arkade Bangur Nagar Metro Station.

The partnership was unveiled at a special inauguration ceremony attended by key dignitaries from Arkade Developers, Signpost India Limited, & Arkade customers. The event also featured a ribbon-cutting ceremony & the launch of Arkade’s annual report.

Located along the bustling Metro Line 2A, Arkade Bangur Nagar Metro Station serves as a gateway to one of Mumbai’s most dynamic growth corridors. Its positioning within Goregaon West makes it a vital hub for both daily commuters and the growing residential population.

Mr. Arpit Jain, Director, Arkade Developers Ltd., commented, *“The renaming of the station reflects Arkade’s belief in shaping cityscapes through community-focused urban design. As the Goregaon-Malad belt emerges as a lifestyle hotspot, we’re proud to contribute to the area’s evolution. We are aggressively expanding our footprint in this corridor with multiple completed, ongoing, and upcoming projects. We are pleased to take on the naming rights of this metro station as a meaningful step in deepening our connection with the community we serve”.*

Mr. Shripad Ashtekar, Founder and Managing Director, Signpost India Limited, added: *“Today marks a milestone in redefining the way brands engage with the city. With the naming rights of Bangur Nagar station, we see branding not merely as visibility, but as a step toward sustainable growth and urban identity. Arkade Developers becomes the first real estate developer in this line to embrace this vision, setting a benchmark for the industry to align with public infrastructure and urban transformation. This partnership is a symbol of care for urbanisation — where a metro station stands not only as a transit hub but as a landmark of pride, progress, and community engagement in Mumbai”.*

Bangur Nagar, once a quiet residential enclave, is rapidly emerging as a well-connected, vibrant neighbourhood. With improved metro access, upgraded infrastructure, and growing green spaces, it has become a sought-after destination for homebuyers, professionals, and investors alike.

Arkade Developers has already established a strong presence in the Goregaon-Malad belt, having completed four residential projects — Arkade Adornia, Arkade Aspire, Arkade Serene, and Arkade Jayshree. Current projects include Arkade Views, Arkade Vistas, and Arkade Eden, with five more projects set to launch in the upcoming months.

The renaming of the metro station is not just a branding milestone but a symbol of Arkade's long-term commitment to sustainable, inclusive urban development.
